I am associate professor in French language and translation at the University of Udine, Italy, and I work as a freelance drama and literary translator. I am the author of *Traduction et évolution culturelle* (L'Harmattan, 2018) and *Tradurre un classico della scienza. Traduzioni e ritraduzioni dell'Origin of Species di Charles Darwin in Francia, Italia e Spagna* (Bononia University Press, 2015, with Ana Pano Alamán), as well as the editor of two volumes devoted to self-translation: *Gli scrittori si traducono. Riflessioni, discorsi e conversazioni sull'autotraduzione da parte di chi la pratica* (Emil, 2019, with Alessandra Ferraro) and *Autotraduzione. Pratiche, teorie, storie / Autotraduction. Pratiques, théories, histoires* (Emil, 2020). I translated into Italian texts by Evelyne de la Chenelière, Adolphe Nysenholc, Larry Tremblay, Boris Vian, Simone Weil, and many others.
