Education and Training

2019

PhD in Nursing

University of Hull, UK.

2018

Postgraduate Diploma in Research Training

University of Hull, UK.

2015

Postgraduate Research Training Certificate

University of Hull, UK.

2013

Masterclass, Complex Interventions

Nitra, Slovakia.

2006

Master's Degree in Nursing and Midwifery Science

University of Verona

2005

Systematic Reviews and Meta-Analysis

Module in the Master in Evidence Based Health Care

University of Oxford, UK.

2003

Qualitative Research Methods

Module in the Master Evidence Based Health Care

University of Oxford, UK.

2002

Bachelor's Degree in Nursing Science

University of Padova, Padova.

1993

Diploma of Manager and Lecturer in Nursing Science

University of Padova.

1988

Diploma of Professional Nurse

Professional Nursing School Tolmezzo, Udine.

University teaching activities

University of Udine

(including proficiency examinations)

Cross-curricular courses

2022 Equal Opportunities and Inclusion Course – Understanding personalised medicine from a gender perspective – Differentiated approaches to nursing according to the gender (27th January 2022)

2020 - 2021 Equal Opportunities and Inclusion Course – For an inclusive nursing practice (4th december and 10th december 2021)

Bachelor's Degree in Nursing

2013 to 2020-21 Clinical Nursing in Chronicity and Disability (Pordenone).

Since 2011 Methodology of Care Process Organisation (Udine).

Since 2011 Methodology of Care Process Organisation (Pordenone).

Since 2011 Scientific Evidence for Nursing (Udine).

Since 2011 General Nursing (Udine, and from 2019-2020 in Pordenone).

Bachelor's Degree Course in Medicine

Since 2014 Nurse-Patient Relationship, Integrated Course of Medicine and Public Health, 5th year.

Schools of Medical Specialisations

Since 2011 Nursing Organisational Models Psychiatric care, Specialisation School in Psychiatry.

Since 2008 Nursing Services in Public Health, Specialisation School in Hygiene and Preventive Medicine.

Other Health Area Courses

Since 2012 Nursing Science, Professional Education Course (Udine).

Higher Education School, University of Udine.

2014 - 2015 Introduction to research in Medicine and its relevance to an evidence-based approach.

2012 - 2013 From Epidemiology, statistics and clinical field to evidence-based practice.

At University level

2020 Equal Opportunities and Inclusion. Interdisciplinary and Interdepartmental course for students at the University of Udine – promoted by the Comitato Unico di Garanzia (Palese, A. Per una infermieristica capace di inclusività).

Previous

2013 - 2014 Clinical nursing: patient monitoring, Course of Study in Nursing (Udine).

2010 - 2012 Organisation of Care, Course of Study in Nursing (Udine).

2010 to 2013 Research Methodology, Interdisciplinary Master's Degree Course in Prevention Sciences (Udine/Trieste).

2009 & 2012 Care Management Models, II Level Master's Degree Cellular therapies in haematology (Udine).

2009 to 2011 Evidence-based Practice, Course of Study in Nursing (Udine e Mestre).

Since 2009 Organisation of care, Bachelor's Degree in Nursing (Pordenone).

2007 to 2009 Theories of care and scientific evidence, Bachelor's Degree in Nursing (Udine).

2007 to 2009 Scientific evidence-based practice, I Level Master's Degree Technical Area Coordination (Udine)

Since 2007 General Nursing, Bachelor's Degree in Nursing (Udine).

2006 to 2011	Nurse-patient relationship, Master's Degree in Medicine and Surgery (Udine).
2006 to 2010	Methodology Organisational research, CLSSIO Interuniversity (Trieste e Udine).
2006 to 2008	Fundamentals of Nursing Professional Organisation, Bachelor's Degree in Nursing (Pordenone).
2006 to 2010	Long-term care Nursing Management, CLSSIO Interuniversity (Udine e Trieste).
2006 & 2008	Nursing Research Methodology I, CLSSIO Interuniversity (Trieste/Udine).
2006	Fundamentals of Nursing, Bachelor's Degree in Nursing (Udine).
2005 to 2009	Advanced Clinical Methodology and Assistance Theories, CLSSIO Interuniversity (Udine e Trieste).
2004 to 2007	Nursing theories and scientific evidence for nursing, Bachelor's Degree in Nursing (Udine).
2004 to 2006	Scientific Evidence for Nursing, I Level Master Psychiatric Area (Udine).
2004	Organisation, I Level Master Nursing Care Coordination (Pordenone).
2002 to 2006	Clinical Nursing in Medical Area II, Bachelor's Degree in Nursing (Pordenone).
2002 to 2005	Methodology of organising care processes, Bachelor's Degree in Nursing (Udine).
1998 to 2002	Organisation of Nursing Care, DU for the Nurse, Udine.

Other Universities, in Italy or abroad

Third Cycle, PhDs

Since 2016	Member of the Doctoral Program in Nursing, 1st PhD program in Slovenia, University of Maribor Faculty of Health Sciences, SLO.
Since 2016	Member of the Doctoral Program in Health Sciences in Slovenia, Faculty of Health Care Jesenice, SLO.
Since 2012	Member of the Teaching Board, PhD in Nursing Science University of Tor Vergata, Rome.

Second Cycle, Master's Degree in Nursing and Midwifery Science

2021	Missed Care Models and Tools, University Humanitas, Milan.
Since 2008	Organisational Research Methodology, University of Verona.
2008 to 2011	Applied Nursing research I, University of Modena-Reggio Emilia.
Since 2007	Theory and philosophy of nursing science, Master's Degree Nursing and Midwifery Science, University of Verona.
2005	Advanced Care Methodology and EBN, Master's Degree Nursing and Midwifery Science, University of Brescia.
2004 to 2005	Qualitative Research/Research Methodology, Master's Degree Nursing and Midwifery Science University of Florence.
1996 to 2000	Regulations, ethics and professional deontology, School for Special Purposes for Nursing Managers and Lecturers, University of Padova.
1995 & 2001	Teaching Methods, School for Special Purposes for Nursing Managers and Lecturers, University of Padova.

I and II Level Master's Degree, Advanced Courses and first cycle courses in other Universities

2023	Lecturer at the seminar Missed Nursing Care and Adverse - Previous Events', I Level Master's Degree in Forensic, Legal and Insurance Nursing, University of Bologna
2022	Lecturer (seminar) I Level Master's Degree "Research for the health professions: the qualitative approach" University of Parma
2021	Lecturer (seminar) I Level Master's Degree in Coordination Functions, University of Verona (University location Vicenza and Trento). A.Y. 2019/20. Seminar Organisational research oriented towards outcome assessment (6 hours)
2019	Master in Leadership for the Advanced Coordination functions of the health professions, University of Verona (University location Trento).
2018	Lecturer (seminar) I Level Master's Degree Models and Methods of the Tutorship, University of Verona (located in Trento).
2017	Lecturer (seminar) Master's Degree for the Advanced Coordination functions of the health professions, University of Verona (located in Trento and Verona).
2016	Lecturer Tutorship training course for Prevention Technicians in the environment and workplace, Bachelor's Interuniversity Degree Udine/Trieste.

- 2016 Lecturer Tutorship Training Course for Medical Radiology and Imaging Technicians, Bachelor's Interuniversity Degree Udine/Trieste.
- 2016 Lecturer (The assessment of clinical skills) at the Tutorship Master Course, University of G. D'Annunzio di Chieti-Pescara.
- 2016 Advanced Course in Management for the Coordination Functions of the Health Professions, University Cattolica del Sacro Cuore "A. Gemelli", Fondazione Poliambulanza Istituto Ospedaliero Brescia.
- 2014 The challenges of organisational research in social and health contexts. I Level Master's Degree in Management for Coordination Functions in the Health Professions, University of Verona.
- 2014 Research methodology 1 – I Level Master's Degree in Coordination, University of Trieste.
- 2014 Master in Management for Coordination Functions in the Health Professions, University of Verona.
- 2012 Master in Management for Coordination Functions in the Health Professions, University of Verona.
- 2012 Master in Tutorial and coordination methodologies for clinical teaching in the health professions– University of Verona, Modules 'Clinical learning environments, effects on students and measurement scales'.
- 2011 - 2012 'Organisation of services and research areas', I Level Master's Degree Coordination, University Vita e Salute "San Raffaele" (Milano).
- 2010 & 2011 Pragmatic/Exploratory Study Designs, Advanced Course, University of Bologna (Ferrara).
- 2010 Organisational Research Methodology, I Level Master's Degree in Coordination Functions, University Vita-Salute "San Raffaele", Milano.
- 2010 Nursing Research, I Level Master's Degree in Coordination Functions, University of Trieste.
- 2009 to 2010 Research Methodology, I Level Master's Degree in Coordination Functions, University of Bologna (located in Rimini).
- 2009 Organisational Research Methodology, II Level Master's Degree in Organisational Research Methodology, University of Bologna (located in Ferrara).
- 2006 - 2012 Nursing Research in Italy, I Level Master's Degree in Management of Health Professions, University of Bologna.
- 2006 – 2012 Integrated Organisational Models, Advanced Organisation Course, Management and Quality of Integrated Care Pathways, University of Verona.
- 2006 Advanced Clinical Methodology, I Level Master's Degree Advanced Nursing Care for the Critical Patient, University Vita-Salute "San Raffaele", Milano.
- 2006 Nursing-sensitive outcomes, I Level Master's Degree Management for Coordination Functions, University of Bologna.
- 2006 Nursing Outcomes e management, I Level Master's Degree Management for Coordination Functions, University of Bologna (located in Rimini).
- 2005 General Nursing, Bachelor's Degree in Nursing, University of Verona.
- 2004 to 2005 Methodological research foundations, Bachelor's Degree in Nursing, University of Trieste.
- 2004 Research Methodology, I Level Master's Degree, Nursing Management, University of Trieste.
- 2004 Integrative Course in General Sociology, Bachelor's Degree Interuniversity Professional Education, University of Torino.
- 2003 Teaching Methodologies, I Level Master's Degree Tutorial Skills Health Worker Training, University of Verona.
- 2003 Research Methodology, I Level Master's Degree Nursing Management for Coordination Functions, University of Brescia.
- 2003 Research Methodology, I Level Master's Degree Management Techniques for Nursing Care Coordinators, University of Ancona.
- 2002 Nursing Management, I Level Master's Degree Management Techniques for Nursing Care Coordinators, University of Verona.
- 2001 to 2004 Clinical/Nursing Methodology, Bachelor's Degree in Nursing, University of Verona.
- 2001 Nursing Theory, Bachelor's Degree in Nursing, University of Verona.
- 2001 Organisation of the nursing profession, DU Midwifery, University of Trieste.
- 2001 General Nursing, I Level Master's Degree Tutorship Models and Methods, University of Verona.

Supervisory/tutoring Activities

Bachelor's/Master's Thesis

Activity as Supervisor/Co-Supervisor > 390 students (<https://servizi.amm.uniud.it/CercaTesi/>)

Supervisor of PhD Students

Current

PhD Student Chiara Visintini - Research Line tbd University of Tor Vergata, Rome.

PhD Student Michela Bottega – Research Line: Anticipated Nursing Care, University of Tor Vergata, Rome.

PhD Student Stefania Chiappinotto – Research Line: Antecedents of Missed Nursing Care, University of Tor Vergata, Rome.

PhD Student Elisa Mazzarol – Research Line: Missed Nursing Care and Fundamentals of Nursing Care, University of Tor Vergata, Rome.

PhD Student Luisa Sist – Research Line: Prioritization Care Processes and prevention of delirium among hospitalised patients, University of Bologna.

PhD Student Domenico Lombardi Fortino Research Line: Fundamentals of Care and Nurse Managers, University of Tor Vergata, Rome.

Past

PhD dr.ssa Irene Mansutti – Research line: Post Stroke delirium risk factors – sign/symptoms and avoidability, University of Tor Vergata, Rome.

PhD dr.ssa Erica Bassi – Research line: Unfinished Nursing care: a mixed method study design University of Tor Vergata, Rome.

External Examiner

2022 Faculty of Medicine, University of Malaya, Doctor of Philosophy candidate, Title of the Thesis: “The relationship between organizational communication satisfaction and organizational commitment of health care professionals at gaza governorates: the mediating role of work engagement and work satisfaction”

Research

Research Guidelines

Health Service Research

- (1) Nursing Workforce: missed nursing care, staff shortages, determinants of shortages, impact on patients; criteria for defining/calculating the need for nurses; tools/methods for evaluating/tracking the outcomes of nursing care; recruitment, induction and evaluation of the clinical competencies of Italian and foreign nursing staff; effectiveness of strategies for integrating support staff into care processes; effectiveness of hospital and community care organisational models (community nursing); validation of classification systems, measuring and documenting patient problems.
- (2) Residents living in Nursing Homes: therapeutic nature of the nursing home environment for maintaining functional independence; healthy ageing; cognitive decline, influence on ADLs/IADLs and effectiveness of strategies to prevent loss of ADLs; the end of life of residential facilities; variability of problems, nursing practices and their effectiveness in the management of elderly patients with dementia, stroke, or neurosurgical problems; identification of care needs of patients with brain tumours (coping, QoL, stress, anxiety and depression); determinants of care needs along the stages of the disease (follow-up studies).
- (3) Patient Safety: strategies for enhancing patient safety (e.g. treatment management; falls, medication errors); appropriateness of care choices (e.g. management of incontinence in hospitalised patients, management of pressure ulcers); handovers/deliveries for effective transmission of information.

Nursing Education Research

- (4) Nursing Education: effectiveness of teaching and tutoring strategies in nursing student education and continuing education; recruitment; training costs; tools for measuring the efficiency and effectiveness of university and continuing education systems; systems for assessing and developing the diagnostic and clinical reasoning of nurses.

Research Projects – Principal Investigator (PI)/partnership projects

(last ten years or earlier if particularly relevant projects; *projects with funds)

(1) Nursing Workforce

Since/in

2019*

PI "Need analysis and best practices aimed at minimizing or preventing missed nursing care and at increasing patient safety across countries: A qualitative study based upon focus group interviews".

2019*	Consultant Project of Regional Relevance, Veneto Region "Evaluating the effects of policies on nursing care as promoted by the Veneto region: the research protocol and its implications for public health".
2017	Member of the Working Group Veneto Region "Esiti dell'assistenza infermieristica" for the definition of a set of nursing-sensitive care outcomes for the development of a regional policy.
2016*-2017	Convention with Reggio Emilia University Hospital for Primary Nursing effectiveness evaluation project.
2015*	PI, Convention with Collegio Belluno, for research on inappropriate activities carried out by nurses at provincial level: design and management of surveys at a provincial level; design and management of dissemination.
2013-2014	Member of the project: Midwifery Job Satisfaction (2013-14), partly financed by internal grant of Ostrava University (SGS21/LF/2013 - Job satisfaction among midwives - international comparative study, Czech, Italy, Slovakia, Korea, Belgium, Singapore, Poland).
2010-2012	Assignment to support the redesign and management of research projects related to the revision of organisational models in medicine, Azienda per i Servizi Sanitari n. 4 'Medio Friuli' (collaboration).
2012*	Convention with University of Verona, Department of Public Health and Provincial Health Care Services, Trento. Consultant responsible for the research-intervention project to assess the impact on quality of care and patient safety of an innovative organisational model of care oriented towards user care and intensity of care in surgery.
2011	PI research project ESAMED, Considerable nursing care outcomes that involved 12 Italia healthcare services in a longitudinal perspective study.
2006-2008*	Scientific supervisor of the Research Project LARS, effectiveness of organisational models on the stability of nursing resources in FVG Medicine, Agenzia Regionale alla Sanità (Convention on 6th July 2006).

(2) Residents living in Nursing Homes

Since/in

2019*	PI "Effetto delle buone pratiche sulle performance di self-feeding nelle persone con declino cognitivo in quattro case di riposo del Friuli Venezia Giulia".
2017	PI "Measuring the therapeutic properties of nursing home environments in the Italian context: a multicentre validation study".
2017*	PI "Effects of basic principles of nursing care in optimising feeding independence among NH residents with moderate dementia" co-funded research grant.
2013*	PI PENZA Project, convention with Welfare Health Service n. 5 Bassa Friulana. Project 1: Assessing ADL disability prevalence in nursing home residents differentiating those with and without dementia. Project 2: Describe the evolution of disability in each ADL in nursing home residents from the moment of onset, over time, differentiating patterns of decline in relation to individual and organisational factors.
2013*	PI with Social Cooperative AMBRA for the development of: an analysis of the outcomes of nursing care on guests; an improvement project and verification of the improvements achieved. The project also included the realisation of 3 accredited training events ECM.
2004 to 2005*	Scientific manager Research project Identifying a set of sensitive indicators for community nursing, Azienda per i Servizi Sanitari n. 5 "Bassa Friulana" (convention on 2004).

(3) Patient Safety

Since/in

2020	Co-investigator "Symptoms and lived experiences of patients with COVID-19: a 6-months follow-up".
Since 2018	PI "EASI- Eventi Avversi e Sorveglianza Infermieristica Study".
Since 2018	PI "Studio osservazionale sulle caratteristiche della contenzione fisica applicata nei setting di Terapia Intensiva".
Since 2018	PI "Handovers in nursing care: summary of the evidence available".
2019*	Coordinator of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2019, dal titolo Strengthening knowledge and competencies of Nurse Managers for a Safe care environment (NM4SAFETY), total budget 293.753,00 €.
2015*-2020	MC Member [CA15208 IT] to COST Action CA15208 [EU]: Working package 1 – Conceptualization of rationing in nursing care; Work package 2: Intervention studies preventing the missed nursing care.

	Rationing - Missed nursing care: An international and Multidimensional Problem, Coordinated by Cyprus University of Technology, Cyprus.
2018*	Partner of the international research project funded by the Erasmus+ programme KA204 Strategic Partnerships for adult education - call 2018, dal titolo Embracing DEmeNtia (EDEN) con capofila Professionshojskolen Lillebaelt (Denmark), budget UNIUD 65.310 €.
2017*	Partner of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2017, from the title Intergenerational CONTACT between students and people with dEMENTIA through Creative education (iConnect) headed by Stichting Nationaal Ouderenfonds (Netherlands), budget UNIUD 56.422 €.
2017	Partner of the international research project funded by the Erasmus+ programme KA2 - Cooperation and Innovation for good practices - Knowledge Alliances for higher education - call 2017, title Hospitals and faculties together for prosperous and scientific based healthcare (ProCare) headed by Fakulteta za Zdravstvo Angele Boskin (Slovenia), budget UNIUD 199.212 €.
2011 – 2014	CoManager Research Project SVITA s instruments for assessing patients' problems in the clinic and their level of psychometric validation, University of Verona.
2010 to 2017	Scientific Manager National Project CLEAN, Cercare Le Evidenze Assistenziali in Ambito Neurochirurgico, in collaboration with ANIN, Italian Neuroscience Nurses Society.
2010-2012*	Supervisor/consultant review process of documentation and planning tools in daily nursing practice, European Oncology Institute, Milano (convention on 2010).
2010-2011	Manager Research Project 'Vispa e Scorciatoie assistenziali' tools in nursing practice, University of Modena-Reggio Emilia.
2008-2009*	Scientific Manager Research Project Nursing Minimum Data Set and development, on computer support, of the Piano Assistenziale Individualizzato (PAI) for residential facilities for the elderly (Area Welfare – Healthcare Service n. 5 "Bassa Friulana", Udine; convention on 2008).
2008	Manager or Partner of research projects aimed at transcultural/linguistic validation or creation of scales to measure problems of patients or organisational contexts (with evaluation of psychometric properties). A few examples are given: scala SFATO (development and validation), Nursing Work Environment Healthiness (translation, adaptation, validation from the USA), Self-Rating Scale of Self-Directed Learning (translation, adaptation, validation from the UK), Care in Obstetrics: Measure FOR Testing Satisfaction (COMFORTS) Scale (Canada), Blaylock Discharge Planning Risk Assessment Screen (USA, Abbey Scale for pain).
2001- 2003	Member of Management Committee Italian Research Group PARI-ETLD Care Pathways and Nursing Research - Effectiveness of Pressure Wound Treatments - Institute for Scientific Research Mario Negri, Milan.

(4) Nursing Education

Since/in

2022	DDS-MAP – “Dynamic Digital Skills for Agility and Resilience in Medical and Allied Professions”, in the field EU4 Health Programme (EU4H) resp. Prof.ssa Palese, partner (coordinator Southeast Technological University - Ireland)
2022	Coordinator of the international research project funded by the Erasmus+ programme KA220 Strategic Partnerships for higher education - call 2022, title Promoting a morally competent nurse (PROMOCON), total budget 250.000,00 €, budget UNIUD 52.000,00 €;
2021	PI “Missed Nursing Education Survey: a validation study”.
2019*	Coordinator of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2019, title Strengthening knowledge and competencies of Nurse Managers for a Safe care environment (NM4SAFETY), total budget 293.753,00 €.
2015*-2020	MC Member [CA15208 IT] to COST Action CA15208 [EU]: Working package 1 – Conceptualization of rationing in nursing care; Work package 2: Intervention studies preventing the missed nursing care. Rationing - Missed nursing care: An international and Multidimensional Problem, coordinated from Cyprus University of Technology, Cyprus.
2018*	Partner of the international research project funded by the Erasmus+ programme KA204 Strategic Partnerships for adult education - call 2018, title Embracing DEmeNtia (EDEN) headed by Professionshojskolen Lillebaelt (Denmark), budget UNIUD 65.310 €.
2017*	Partner of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2017, title Intergenerational CONTACT between students and

- people with dEmentia through CreaTive education (iConnect) headed by Stichting Nationaal Ouderenfonds (Netherlands), budget UNIUD 56.422 €.
- 2017 Partner of the international research project funded by the Erasmus+ programme KA2 - Cooperation and Innovation for good practices - Knowledge Alliances for higher education - call 2017, title Hospitals and faculties together for prosperous and scientific based healthcare (ProCare) headed by Fakulteta za Zdravstvo Angele Boskin (Slovenia), budget UNIUD 199.212 €.
- 2020* Partner of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2020, title Building Financial Capability for Healthcare Professionals (BICEPS), headed by Masaryk University (Czech Republic), budget UNIUD 73.861 €.
- 2020* Partner of the international research project funded by the Erasmus+ programme KA204 Strategic Partnerships for adult education - call 2020, title Digital Educational programme involving hEalth pROfessionals (DELIVER) headed by Region Syddanmark (Denmark), budget 42.560 €.
- 2020* PI "Quantitative research: measuring the exceeding competencies of nurses at the national and international levels".
- Since 2020 PI "Massive Online Open Courses – MOOCs in Health Care Graduates and Post-Continuing education: state of the art of the evidence".
- Since 2018 PI "Unfinished Nursing care survey for Students: a multicenter validation study".
- 2017-2021 Member of the COMPEUnurse Consortium, Competence of nursing students in Europe (PI Turki, Finland - Czech Republic, Ireland, Italy, Portugal, Slovakia, Slovenia, Spain).
- 2016 - 2018 PI "Nursing Students and Night Shifts (NS&NS)", with Czech Republic, Spain, Poland, Portugal, Slovakia.
- Since 2015 PI SVIAT Project, Quality Assessment Tools for Nursing Student Clinical Traineeship Placements. National validation project involving > 9,000 students and 60 Bachelor's Degree Locations.
- 2012- 2014* Scientific Manager Project Supporting Human Assets in Research and Mobility. Research project conducted in collaboration with companies, Fondo Sociale Europeo, FVG, Trieste.
- 2011 – 2012* INTERREG IV – Group 2 – European Union. Area Manager – Objective Cross-border and interregional training and continuing education in health care. Cross border education for health professionals: analysis of constraints and strategies.
- 2010 - 2012 Manager international research project Cost Comparison of Nursing Education among 6 EU- Countries (Partners: Italy, Czech, Greece, Slovakia and Slovenia).
- 2009-2013* Scientific Manager research Project RIASI, Factors of Academic Failure of Nursing Students in collaboration with the College IPASVI Udine.
- 2006-2007* Scientific Comanager research project in the field of nursing education (tutorial teaching), Scuola Superiore di Formazione Sanitaria, ASS Trento (convention on 2006).
- 2003-2006* Manager research project "L'efficacia delle strategie didattiche tutoriali nell'apprendimento del ragionamento diagnostico degli studenti infermieri", University of Udine and Verona.
- (5) Other
- Since/in
- 2019* Coordinator of the international research project funded by the Erasmus+ programme KA203 Strategic Partnerships for higher education - call 2019, title Strengthening knowledge and competencies of Nurse Managers for a Safe care environment (NM4SAFETY), total budget 293.753,00 €.
- 2015*-2020 MC Member [CA15208 IT] to COST Action CA15208 [EU]: Working package 1 – Conceptualization of rationing in nursing care; Work package 2: Intervention studies preventing the missed nursing care. Rationing - Missed nursing care: An international and Multidimensional Problem, coordinato dalla Cyprus University of Technology, Cyprus.

Palese A. The contribution of nursing research in proximity medicine.
- 12-14 september 2021, OPI Foggia, Future objective from the general to the particular, new ideas for a profession in progress. Palese A. An overall look for a provisional balance: how far we have come with Italian nursing education?
- 20 september 2021, Scientific Manager 'Gli esiti delle prove concorsuali regionali per l'assunzione a tempo determinato per gli infermieri FVG', ASUFC Udine

Continuing Education Activities

(Teaching/scientific responsibility for continuing education courses of particular relevance also for continuity)

In

- 2013 – 2014 Scientific Manager 'Sviluppo abilità di supervisione e feedback nella formazione infermieristica', Bachelor's Degree – Univerisity-Hospital of Udine.
- 2015 Lecturer on Areas of Innovation and Consolidation in Nursing Education, International, National and Local level, Nursing Coordinators, University-Hospital of Udine.
- Since 2006 Scientific Manager annual courses Lecturers to enhance the effectiveness of professionalising teaching, University of Udine.
- 2004 Lecturer and project consultant Evidence-based practice development, IRCCS Burlo Garofolo, Trieste.
- 2003 - 2006 Three-year convention with USL n. 9 of Treviso for the development of tutoring skills.

Awards for the Scientific Activity

International

In

- 2021 Cited in the following article which illustrates the most cited scientific researchers in the world: Baas, Jeroen; Boyack, Kevin; Ioannidis, John P.A. (2021), "August 2021 data-update for "Updated science-wide author databases of standardized citation indicators"", Mendeley Data, V3, doi: 10.17632/btchxktyw.3.
- 2020 Cited in the following article which illustrates the most cited scientific researchers in the world: Ioannidis JPA, Boyack KW, Baas J (2020) Updated science-wide author databases of standardized citation indicators. PLoS Biol 18(10): e3000918. <https://doi.org/10.1371/journal.pbio.3000918>. Authors have provided updated analyses that use citations from Scopus with data freeze as of May 6, 2020, assessing scientists for career-long citation impact up until the end of and for citation impact during the single calendar year 2019. Data of 7 million researchers from universities and research centres around the world, in 22 scientific fields and 176 subfields were analyzed. The result is a photograph of nearly 160 thousand most influential scientists and scientists in the world, representing two percent of a total audience of about 6 million and 800 people.
- 2012 Honorable Mention for the 2012 JWOCN Research Award for the article "Palese A, Carniel G. The effectiveness of a multi-intervention incontinence care program on skin integrity, costs, waste and appropriateness of incontinence pads: an Italian Nursing Home based quasi-experimental study. Journal of Ostomy and Wound Care 2011; 38(2): 177-183", By JWOCN Journal of Ostomy and Wound Care Editorial Board (USA).

- 2010 Editor's Award for the best article "Palese A, De Silvestro D, Valoppi G, Tomietto M. Evaluation of the impact of teaching nursing processes based on Nanda's Taxonomy: an Italian 10-year retrospective study. *International Journal of Nursing Terminologies and Classifications* 2009; 20 (2) 64-75", By NANDA International, *International Journal of Terminologies and Classification* (USA).
- 2006 – 2009 Responsabile scientifico e Docente corsi BREN, Brief Reports on Nursing Research (incontri mensili dedicati a infermieri clinici per condividere i risultati di ricerca effettuati nelle strutture delle aziende convenzionate con il CLI Udine).
Citato come buona pratica nell'International Benchmarking Working Group Supporting student success. A forward-looking agenda. Scottish Higher Education Enhancement Committee, Final Report April 2009

National

Since/In

- 2012 Scientific Award SIMTI, Società Italiana di Medicina Trasfusionale e Immunoematologia, 40° Congress, Rimini "La contaminazione batterica del sangue raccolto: efficacia della prevenzione al momento della donazione". Clodig M, Totis V, Giacuzzo M, Palese A, De Angelis V.
- 2010 Award Finalists "Lavinia Castagna", Collegio Ipasvi, Grosseto "Rivedere le rotazioni cliniche nella pratica formativa in ambito materno-infantile".
- 2005- 2012 n. 5 awards as "Best dissertations" (as Supervisor) within the framework of tenders promoted by ANIN, Associazione Nazionale Infermieri di Neuroscienze, Collegio IPASVI Pordenone, Ictus Association, Personal Care, Pordenone.
- 2009 1° National Nursing Research Award in memory of 'Gemma Castorina', Collegio IPASVI Grosseto, "Metodologie della relazione degli infermieri nella pratica clinica".
- 2005 Award in memory of "Lucia Zilli", Operatori Sanitari Diabetologia Italiani, Udine.
- 2002 1° Award "Bando per Progetti di ricerca alla memoria di Vittorio Ghetti 02-03", Italian Society of Medical Pedagogy and Smith Kline Foundation. Manager of the research project "L'efficacia delle infermieri", University of Udine and Verona.

Study Abroad

McMaster University, Faculty of Health Sciences, Hamilton, Toronto (CA).
University of California, San Francisco, California (USA).
School of Nursing, University of Philadelphia (USA).
University Hospital of Pennsylvania (USA).
Tartu School of Health Care, Estonia (EE).
School of Nursing University Nicolao Copernico, Torun (PL).
School of Nursing, Masarykova Univerzita, University of Brno (CZ).
Lisbona, Escola de Enfermagem Calouste Gulbenkian de Lisbona (P).
School of Nursing, Isola/Maribor (SLO).
Department of Nursing Science Medical University of Graz (AU).
Scuola Universitaria infermieristica, Servizio infermieristico Territoriale e Ospedaliero (Andorra Republic).
